

CAPABILITY STATEMENT

LOVEgrove

COMPLETE CONFIDENCE | EC581

A BETTER WAY

Lovegrove is a multidiscipline contracting company delivering ‘complete confidence’ via end to end solutions in electrical contracting, renewable energy, fuel systems, carwash systems, and civil earthworks.

In the six decades since our establishment in 1956, we’ve assembled a diverse in-house team armed with vast experience, proven knowledge and modern technology, enabling us to handle any challenge with sure-fire certainty.

Today, third generation directors Michael and Tony Lovegrove drive us into the future as a dynamic, fluid company with a rare ability to evolve and adapt to industry demands.

SPECIALIST CAPABILITIES:

- / ELECTRICAL
- / RENEWABLE ENERGY
- / FUEL SYSTEMS
- / CARWASH SYSTEMS
- / CIVILS

LEAVE IT TO LOVEGROVE

WITH LOVEGROVE, THERE'S NO NEED TO SOURCE MULTIPLE CONTRACTORS. LEAVE IT TO US AND WE'LL HANDLE EVERYTHING, FROM CONCEPT TO COMPLETION.

COMPLETE EXPERIENCE

We've brought together an unrivalled range of skilled professionals, in-house. By directly employing our entire team, Lovegrove is armed with the onsite diversity required to deliver the complete solution, whatever the challenge.

- QHSE professionals
- Project managers
- Electricians
- Fuel Fitters
- Gas Fitters
- Coded Welders
- Carwash Technicians
- Civil Operators
- Administrators
- Stores and logistics.

COMPLETE KNOWLEDGE

To evolve and adapt with the industries we work with, Lovegrove invests heavily in information and training.

Our certifications and licences:

- ACAPMA
- Clean Energy Council Accredited company, design and installation accreditations
- PICA WA
- Electrical Contractors Licence EC581 (WA)
PGE 215460 (SA)
- Accredited Installers DRA/Envirotanks/Tank Solutions
- Wayne Fueling Systems - OPW
- NUPI
- UPP
- Veederoot
- WPCG
- Working towards accreditation to ISO9001, 45001 and 14001.

COMPLETE TECHNOLOGY

A highly trained workforce is only as good as the tools at its disposal. To optimise responsiveness and rapidly meet project requirements, we've made a significant investment in plant and machinery, as well as technology that delivers data to our staff in 'real time'.

- All safety information (such as SWMS, JSAs, Prestarts and MSDS)
- Emails, electronic forms and site documentation
- Ability to upload photos directly to head office daily.

SEE IT THROUGH

Every year, Lovegrove successfully completes many projects across Western Australia, South Australia and the Northern Territory. Our success is born from a promise to see every project through to completion, on time, on budget and our goal is to exceed clients expectations.

READY TO SEE INGENUITY AT WORK?

Lovegrove is the reliable partner you've been looking for. Talk to us today to discover how our trained experts can deliver the complete solution.
